Official Website

<http://www.hakkenzan.jp/>

Access

126 Toyama, Minami-ku, Sapporo-shi, Hokkaido

Program 1

Natural Jam Making

Each team make its own natural jam with fresh fruit, such as apples, cherries and strawberries, as well as unique fruits like rhubarb, gooseberries, and more. The winning team will be decided based on the color and taste of the jam.

*Available options: Fruit picking, Feeding discarded fruits to horse

Program 2

Solar Cooking

Bake cookies in a solar oven which is surprisingly powerful! Which team will bake the most creative cookies?

*Gas stove can be used instead of solar oven, depending on the weather.

Program 3

Eco Craft Making

Teams work together to make craft works with natural materials such as branches and twigs. The works will be judged on its artistry and originality.

COLUMN

Hakkenzan Orchard

This 7-hectare orchard is located at the foot of Hakkenzan Mountain, 40-min drive from downtown Sapporo. Here you can enjoy not only organic fruits and vegetables, but also plenty of activities such as fruit picking,

fishing, BBQ, craft making, and horse riding. In winter the orchard offers both indoor and outdoor programs:
Ice carousel, winter sports day, making snowman craft and drying fruits on the wood stove.
